Our mission is to support our non-profit programs while being able to offer premium seating and the finest in film programming at the Brattle.

MEMBERSHIPS are an important program for our film lovers who have contributed much to our support. As a member, you will receive a discount on Brattle merchandise; one year Brattle membership; a discount on Brattle film tickets; a discount on Brattle film club memberships; advance purchase of Brattle film club events; and priority access to events and programs.

SPECIAL MESSAGE FROM THE DIRECTORS

In this calendar you will find a change in our programming and calendar design. We have changed to a horizontal format where our film series will be played over a week – or a number of weeks – and week-long runs will be included throughout the calendar instead of only on Mondays. This is to allow for a better understanding of our programs. Since we have already made our programming changes, we now have to change our calendar design to be more user-friendly.

PROGRAMMING CHANGES

We are aware of the need to make the calendar more user-friendly. We will be working on this and will make changes as necessary. We hope that you will enjoy the new format and that it will make it easier for you to plan your movie-going schedule.

Thank you for your support and for watching the movies with us!
